after this morning's game, AC Milan is also no suspense to 9 odds topped the list. This summer, Milan in the transfer market performance is obvious to people, so far, Milan has signed including bigeliya, Bonui and other stars, a dozen new signings, at the same time, Milan has also made great efforts to leave Donna Roumat. Milan is doing these efforts, that Gambling company believes that the Rossoneri are capable of winning the UEFA cup.

in addition to Milan, but also to the 9 Premiership giants Arsenal odds and Milan tied for first. It is understood that only the introduction of Cora Cena F and Lakazete gunmen this summer, two new aid, in addition, the gunman is still facing the crisis of Sanchez's departure. Even so, the strength is out there, Sanchez did not play in the Premier League first round match, the Gunners eventually to 4-3 victory over Leicester city. from the Gambling company announced the odds of winning the Europa League rankings, we can clearly see that in addition to AC Milan and Arsenal, the club is not optimistic about the Gambling company has the ability to stabilize the Europa league. Everton although ranked third, but the odds of winning the Toffees has reached 23, and the Milan and Arsenal are very large. It is worth mentioning that, although the summer Everton to sell Lukaku to Manchester United, but the team also got Rooney, recent games Rooney's performance has been good. At the same time, the summer signings of Everton's strength is also very big, so the Premiership team still can not be underestimated.

of course, Gambling company announced the price list and the Europa League does not remain unchanged, with the further advance of the game, and the Champions League group phase was eliminated in the Europa League team, the Gambling company will also update the price list.
